## **Portrait Fürstenhaus Schaumburg-Lippe**

////////////////////////////////////

**Portrait:**

Since generations the house of Schaumburg-Lippe is a traditional business with the classical main emphasis on forestry and agriculture as well as property administration. One of the responsibilities is the maintenance of the castles and historical buildings. As subsidiary there is also a forestry in Steyrling (Austria).

Furthermore the touristic marketing of castles and historical buildings has become another area of responsibility as well as eventmarketing with well-known events such as „Land-party“ and Weihnachtszauber“, which regularly take place for a few years at Bueckeburg castle.

**Sector:**

mixed business

**Employees:**

total 114 (94 in Germany)
