Portrait:

For over 15 years now, Hanover's GOP Varieté variety theatre in has been offering top-class live entertainment, outstanding restaurants and first-rate service. The eating places attached to the theatre – the "Gondel" restaurant and the „Pastaria“ – pursue a modern style of gastronomy: they offer a fresh, creative form of cuisine, the like of which is to be found nowhere else in Hanover. The in-house artists' agency GOP.showconcept is actively involved in developing a modern form of the art of variety, but is also always ready to fulfil any particular wishes that customers themselves may have: from obtaining the services of individual artists right down to staging a complete show – in Germany, in Europe or anywhere in the world.
