## Portrait Siemens

////////////////////////////////////

### **Portrait:**

Siemens, headquartered in Berlin and Munich, is one of the world's largest electrical engineering and electronics companies and holds leading market positions in all its business areas.

Founded 160 years ago, Siemens provides innovative technologies and comprehensive know-how to benefit customers in over 190 countries. In fiscal 2006 (ended September 30), Siemens had sales of EUR 87.325 billion and net income of EUR 3.033 billion.

### **Sector:**

Information and Communications, Automation and Control, Power, Transportation, Medical, and Lighting.

### **Employees:**

The company has approximately 475,000 employees (Germany: 161,000) working to develop and manufacture products, design and install complex systems and projects, and tailor a wide range of services for individual requirements (at end of fiscal year 2006).

### **Management:**

Hubert Ovenhausen
