## Portrait Symrise

//

### **Portrait:**

Symrise is a global supplier of fragrances, flavorings and raw materials and active ingredients for the perfume, cosmetics and food industry. Its sales of 1.23 bn in 2006 place the company among the top four in the international flavors and fragrances market. Headquartered in Holzminden, Germany, Symrise maintains a total of 31 sites in 19 countries on all 5 continents.

With approximately 50 registered patents each year, Symrise is one of the most innovative manufacturers on the market. Used by many manufacturers of perfumes, cosmetics and foods, the products are an inseparable part of daily life. Symrise combines an awareness of consumer trends with cutting-edge technologies, focusing on innovative fashion and lifestyle products that have additional practical value for the consumers.
